DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement filed 2/20/04 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each U.S. and foreign patent; each publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. The following references were not included in the filing of this application or that of the parent: Foreign patent documents 300516 and 351536, and the "Java Remote Method Invocation Specification". The IDS Form 1449 has been placed in the application file, but these specific references have not been considered. All other references have been considered, and initialed as such.

Allowable Subject Matter

2. Claims 1-28 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest the combination of claim elements specifically including a virtual heap comprising a store heap and an in-memory heap, wherein a cache line is the smallest addressable unit of memory within the memory address space comprising the store heap and the in-memory heap; and flushing the first cache line from the in-memory heap to the store heap subsequent to modifying the first one of the objects.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
